TOWNSHIP OF PLUMMER ADDITIONAL EMERGENCY RESPONSE PLAN

PART 1: INTRODUCTION

1.1 Preamble

Emergencies are defined as situations or impending situations caused by forces of nature, accident or an intentional act that constitutes a danger of major proportions to life and property. Emergencies affect public safety, meaning the health, welfare and property, as well as the environment and economic health of the Township of Plummer Additional.

The population of the Township of Plummer Additional is 650 residents.

In order to protect residents, businesses and visitors, the Township of Plummer Additional requires a coordinated emergency response by a number of agencies under the direction of the Community Control Group. These are distinct arrangements and procedures from the normal, day-to-day operations carried out by emergency services.

The Township of Plummer Additional Emergency Management Committee developed this emergency response plan. Every official, municipal department and agency must be prepared to carry out assigned responsibilities in an emergency. The response plan has been prepared to provide key officials, agencies and departments of the Township of Plummer Additional with important emergency response information related to:

- Arrangements, services and equipment; and
- Roles and responsibilities during an emergency.

In addition, it is important that residents, businesses and interested visitors be aware of its provisions. Copies of the Township of Plummer Additional Emergency Response Plan may be viewed at the Municipal Office and Bruce Mines & Plummer Additional Union Public Library. For more information, please contact the Emergency Management Coordinator at the Township of Plummer Additional Municipal Office, 38 Railway Crescent, RR # 2, Bruce Mines, ON P0R 1C0. The office phone number is (705) 785-3479.

The centre will also monitor the emergency’s media coverage to provide the Community Control Group with effective strategies on dealing with media issues. Media emergency site tours, interviews, and photo opportunities are coordinated through the Media Centre.
