Clerk: L. Moffatt

February 21, 2024

FOR IMMEDIATE RELEASE

The Township of Plummer Additional was fortunate enough to complete two projects with financial assistance from the Canada Community Building Fund (CCBF) during the 2023 calendar year.

The Township's Municipal Office installed and upgraded its existing heating system and upgraded lighting fixtures. These improvements will increase the overall energy efficiency of the building. In total, \$22,440.01 from CCBF was attributed to this project.

CCBF funds were also utilized towards replacing major culverts and guide rails and placing additional granular on Duff Road. These culverts were identified as a priority in the Township's Asset Management Plan (2021). In total, \$31,181.83 from CCBF was attributed to this project.

The Township thanks the Canada Community Building Fund for its support towards projects within our Township.

Should anyone have any questions about these projects, they are encouraged to contact us at info@plummertownship.ca.

Sincerely,

Lars Moffatt
Clerk-Treasurer
On Behalf of the Township of Plummer Additional
