RE: Sewage System Program 2022 – Algoma Public Health

Algoma Public Health will have staff coverage area changes in 2022 for the Sewage System (Part 8) program. Please be advised, same day or next day response for inspections and/or site meetings may not happen as frequently as in past. We ask that patience is given and if possible, early planning occurs for inspections and onsite meetings with the inspector.

2022 Coverage Area by Inspector:

SAULT STE. MARIE to WHITE RIVER

Melissa Francella	Mobile: 705-255-2361
mfrancella@algomapublichealth.com	Office: 705-942-4646; 3283

ECHO BAY to ELLIOT LAKE

Gary Leith	Mobile: 705-542-7813
gleith@algomapublichealth.com	Office: 705-942-4646; 3112

Applications

Please ensure **all** information on the [application](#) is complete. Test holes are required at all sites unless you have spoken to the area inspector concerning the site. Please drop off your completed application to any of our health unit offices or email ehclerical@algomapublichealth.com.

Final Inspections

Every sewage system installation must be inspected prior to backfilling. Notify the inspector of any planned installs in order to ensure inspection occurs quickly. Covering the system and taking pictures is not acceptable and the installer will be required to uncover the system.

Installer Information

All BCIN status must be current on [QUARTs](#) and any business license is up to date. Email will default as the preferred delivery method for all approved applications, permits, receipts, etc.

Fees

For payments over the phone, please call the Environmental Health team at 705-759-5286 or visit one of our office locations. The [fee](#) schedule will remain the same for 2022.

We wish to thank you for your patience and support moving forward and if you have any questions or concerns please reach out.

Thank you.
